Town of Bath Resolution 2021-08-02

A resolution authorizing the agreement made between The Town of Bath and the West Virginia Conservation Agency (WVCA). This agreement is pertaining to the disastrous flood events that have devastated the citizens and state; and covers all work necessary to design and construct projects. There are people and property that have the substantial need to be protected from the effects of flooding. With that, flood prevention includes, minimizing stream bank erosion, rechanneling and dredging streams, removal of accumulated debris, snags, sandbars, rocks and any other kinds of obstructions. With the technical expertise that the WVCA has, they can assist counties and municipalities with these issues.

WHEREAS, this agreement shall cover all work necessary to design and construct projects contemplated under W.Va. Code §7-1-3U. For each project, there will be agreements developed for each site

WHEREAS, there will be cost sharing for said projects to jointly fund the work that has been negotiated for each project. The Town of Bath may provide "in-kind" services or goods in lieu of cash payments to complete projects contemplated under this agreement

WHEREAS, The Town of Bath shall, as requested, identify and prioritize potential sites, provide a portion of funding costs and with the assistance of the WVCA, provide competitive contracting services for each project, access land necessary

WHEREAS, the WVCA shall provide technical assistance for the Scope of Work to be completed including permit, design, construction oversight, final inspection and acceptance of the work performed

Given under my hand and Seal of the
Town of Bath, County of Morgan, West Virginia
In the Town of Bath this 27th day of July 2021

By the Mayor of the Town of Bath
