Status of Streetscape, State Park and NBRT Projects for Town Council Tuesday May 16, 2023

STREETSCAPE

Phase V: Design Contract:

- Thrasher has about a 1-week delay in releasing the 30% Drawings. This is primarily due to having to shift work from Phase V to re-work of the Park drawings (see below). Drawing likely after May 18th.
- I plan to cancel the May 18th Committee Meeting and once we have the 30% Drawings have a special review with the Committee in advance of the DOH Preliminary Field Review (PFR) which will occur in Town later in May or early June
- Successful completion of the PFR will trigger a payment to Thrasher from the Town's Streetscape Account. I'll provide
 the scheduled date for the PFR when available.

Phase VI: Design Grant Re-Application:

- Intent to Apply (ITA) application was submitted to DOH on May 9th and was approved as "Eligible" on May 12th. Final Application is due by June 15th
- Plan to submit same basic Phase VI street/sidewalk package for Design Grant Funds as applied for in 2022
- DOH is expecting a Design Phase Application in FY23 and a Construction Phase Application in FY24

Berkeley Springs State Park Grant & Project

Status:

 Bid opening occurred as planned on April 9th; apparent low bid exceeds the Project budget: (Financials below are generally from DOH)

Bid Price:	\$578,717
Required DOH 13%:	\$ 75,233
Total Required to Award:	\$653,950
Total Current Budget:	\$476,000
Shortfall to Award:	-\$177,950
If funded at 80/20 Share:	

New Grant Funds: \$142,360

New Share Funds: \$ 35,590

Note: The Park Foundation and the Town of Bath Council have a formal agreement regarding the responsibility to provide the 20% Cash Match for this Project. That Agreement was met with the provision of the 20% Cash Match by the Park Foundation and the signing of the Project Funding Agreement by the Town and DOH in Feb 2022. If new funds are to be provided, that Agreement would need to be extended.

- Working with Thrasher, Park & Foundation and DOH on a two-alternative strategy to determine best possible outcome:
 - o Alt 1: Find funds to support an Award (Time critical due to est. 30-Day Bid validity)
 - Alt 2: Reduce the project content to stay within current Budget of \$476K
- Waiting on DOH response to several questions on each Alternative; (Bid valid date...etc)
- Park Foundation and Park have been asked about additional funding possibility for Alt 1 above.
- Thrasher working on de-scoped Project Content Priorities are:
 - o Repair the walls of the Run
 - o Repair/replace the bridge
 - New Sidewalks (some are ADA improvements)
- As of Monday AM, Thrasher did not yet have the Bid Data from DOH that will permit them to assess where the high bid items differ from the cost estimates. This is needed to properly construct the de-scoped package

RFP for Repairs to the Cemetery Mausoleum

- Contract was advertised for bids in May 3rd and May 10th Messenger
- Job Showing is May 24th at 4 pm. Sealed Bids due June 6th by 4 pm.

NBRT

- Latest project update from Mark has the package in review at the DOH Right-of-Way office
- The NBRT is not in the scheduled monthly Lettings for June 13th or July 11th, but these may not yet be complete
