

## DRINKING WATER PROBLEM CORRECTED

Customers of Berkeley Springs Water Works were notified on 2/26/2024 of a problem with our drinking water and were advised to boil water before use. We are pleased to report that the problem has been corrected and it is no longer necessary to boil water before use. We apologize for any inconvenience and thank you for your patience.

As always, you may contact Kandy Morris at 304-258-1290 or 271 Wilkes St. Berkeley Springs Wv. 25411 with any comments or questions.

***Please share this information with all the other people who drink this water, especially those who may not have received this notice directly. (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.***
