

November 17, 2020 @ 8:30am

Town Clerks Office.

Agenda:

1. Review 10/20/20 Minutes
2. Olde English Cemetery & Tree Damage. Cost to survey property. Willard situation
3. Quotes to resolve water leaking on the back wall.
4. Myers Street Roof & Tree Damage
5. Insurance update to cover the Cemeteries
6. Use of Train Depot for sale of Christmas Trees
7. Sale of Pavers for Streetscape
8. Cares Act Reimbursements

Minutes: In attendance were Scott Merki, Susan Webster, Beth Skinner, John Bohrer, Rick Weber, Rose Jackson, Chris Chapman and Sharron Corrick.

1. Reviewed the minutes, no changes needed.
2. Sharron Explained that we are still at a stand still with this situation. The survey will be the first step and Cindy from the Berkeley Land Surveyors office told Sharron they were looking at, at least 6 weeks out. This was relayed to the Willards.
3. Sharron explained how the last couple of storms have not produced any water in here office. At this time, we hope that the roof repair fixed this situation and we will not have to excavate the dirt away from the back wall.
4. No changes since last meeting
5. No changes since last meeting, Sharron will reach out to CBIZ again.
6. Council remembers giving Dustin Percy permission to use the Train Depot to sell Christmas Trees earlier in the Year.
7. Sharron Explained that the Town would like to sell all the pavers to MCI if able/
8. Sharron explained how the cares act reimbursements were being utilized.

New Business: there was discussion regarding the office dynamics and how the flow would work.

Chris mentioned that the Annexation Committee would like help from the BDA or EDA and maybe Region 9 regarding the possibility of conducting a study of feasibility for the revenue v's the cost.

Rick Webber mentioned that Tom Shade might be able to help with the ASI system.
