Streetscape and BSSP Projects Status Report for Town Council July 16, 2024

STREETSCAPE

Next Committee Meeting: 9 am Thursday 7/18 Town Conference Room

Phase V Construction contract:

DOH is preparing the Supplemental Funding Agreement for the next bidder. Do not yet have a date when the Town will see the Agreement. Town's Cash Match will be \$13,680.80. There are sufficient funds in Streetscape Account to provide this immediately to DOH.

DOH says Contractor will extend bid in 30-day increments as needed until Agreement and funds are in place. This delay means that construction will start much later than anticipated. There will likely be

a need to work out a minimum interference with Apple Butter.

Phase V lighting grant application: \$100K Grant plus \$25k Town Cash Match - Submitted and accepted by DOH on June 25th. Identified as the Town's #1 Priority.

WVDOH TA Grant Phase VI design grant: \$56K Grant plus \$14k Town Cash Match - Awarded in April 2024; formal Letter dated 6-11-24 - Thrasher drafting Scope Document that will lead to a DOH/Town Funding Agreement, Town Task Order to Thrasher, DOH & FHWA authorization and DOH Authority to Proceed. Probably a few months away. There are sufficient funds in the Streetscape Account to fund this.

WVDOH TA Grant Phase VI construction grant application: \$400K Grant plus \$100K Town Match. Submitted and accepted by DOH on June 25th, Identified as the Town's #2 Priority

Streetscape Account Cash Flow: Working on cash flow predictions based on current account plus various Cash Match requirements from above Grant actions. Will discuss at July 18th Streetscape Committee Meeting.
