NBRT

- Final inspection for CBT G3 grant was completed and a final report was sent to CBT last week.
- Received the following from Mark Scoular on Nov 27th;
 - "I'll keep you updated but we are probably going to have an UNOFFICIAL meeting in the coming weeks with the District with the project. I'm not sure who or when exactly but we're trying to work these bridges out some way. So next week I may have some better information."
 - "I've talked to Melanie over at Morgan County on the Trail Head CDS project. I have it programmed as 100% but wasn't really sure. Now I am pretty sure it is 80/20%. At first some of those are fully 100% federal but this one looks not to be. I will change and finish up their agreement next week."
